## Call Out & Travel Charge

Computing Business Solutions

As a fairer means of charging for call outs and travelling time associated with engineering visits, Techies new charges will be as follows for any on-site visits required.

Techies standard engineering rates will now apply ONLY for the time spent on site by the engineer. This will reduce the charges paid by customers as they no longer pay full engineering rates for time spent travelling by the engineer.

Description	Cost
Return travel up to 20 miles radius of Techies	£60
Return travel up to 50 miles radius of Techies	£70
Return travel up to 80 miles radius of Techies	£100
Return travel up to 100 miles radius of Techies	£120
Out of hours travelling (18:30 to 08:00)	+25%
London Congestion Charges	100%
Parking (if not provided) Within major city centre or inside London CZ	£25
